Subject - Privilege of electing non-official President to Madhugiri Town Municipal Council

Sir

With reference to your letter No L 11a46, dated 28-11-47, calling for my definite opinion on the above subject, I have the honour to state that as seen from the enclosed statement and also from the budget estimate for 47-48 that the financial position is not very encouraging Besides, the closing balance of the Municipality has been successively far below the statutory minimum since 1944-45 The Municipality is neither able to meet ordinary expenditure from out of its slender resources nor has devised any means to improve the financial corditions of the Municipality

Apart from this, party faction prevails in the Town petition was received in this office from the residents and rate payers of Madhugiri Town ventilating their unwillingness to have a non-official President to their Municipal Council In this behalf a demi-official report has been made previously while replying to the Interpellation No 6 of the Budget Session of the Representative Assembly of 1947 The petitioners are aware of its slender financial position At the same time they feel that this grant would create strife and ill feeling during the ensuing elections The general tendency is no doubt towards creation of opportunities for the public to hold offices and administer on the democratic lines In these circumstances, I am of openion that the privilege of electing a non-official President

President may be conferred o this Municipality in ca e the opposition of certain residents and rate payers a d the sle der finances of the Municipality are considered by Gove-nment to be matters which could be over come i. due course

I solicit e.rly orders of Government in the matter
